

## DISTRICT OF NEVADA

Defendant.

**STIPULATION TO MODIFY  
DEFENDANT GOODMAN'S  
CONDITIONS OF PRETRIAL  
RELEASE**

This Stipulation is entered into for the following reasons:

///

- 1       1. Under 18 U.S.C. § 3142, the Court has the discretion to set the conditions of a  
2       defendant's release pending trial.
- 3       2. On October 19, 2015, during Goodman's detention hearing, pretrial services  
4       indicated that they were unable to verify the information they received from  
5       Goodman regarding his residence. That same day, the Court imposed several  
6       conditions for Goodman's pretrial release [Doc. #35]. One of the conditions the  
7       Court imposed upon Goodman was location monitoring.
- 8       3. Both parties have recently spoken to Samira Barlow ("Barlow") who is an  
9       employee of pretrial services. Barlow confirmed that she was able to verify  
10      Goodman's residence. Additionally, Barlow has indicated that she does not object  
11      to releasing Goodman from location monitoring.
- 12      4. At the detention hearing, the Government asked the Court to impose location  
13      monitoring because pretrial services could not verify the information Goodman  
14      had provided regarding his residence. However, now that his residence has been  
15      verified, the Government has no objection to releasing Goodman from location  
16      monitoring.
- 17      5. Given the foregoing, the parties stipulate that Goodman should no longer be  
18      subjected to the pretrial release condition of location monitoring.
